HORSESHOE LAKE EVENTS

The event dates are subject to change, events may be cancelled or added.

Where possible we limit closures to 3x full lake closures and 3x partial closures per calendar year (plus spawning)

(all updates will be posted on our website www.thecarpsociety.com/events/)

LAKE CLOSURES

The Carp Society reserve the right to close the lake or swims to facilitate events, planned closures for this are detailed above (events may change/be added to, changes will be posted on the website events page)

Additionally, The Carp Society reserves the right to close the lake at any time occasioned but not limited to any of the following – flood, weather conditions, environmental issues beyond our control, or any other event(s), with no liability for loss or delay incurred (holidays, earnings, fees). ☒ Due to the nature of spawning there will be no set closed season on Horseshoe, therefore The Carp Society reserves the right to close the lake/swims at any time when the fish are spawning.

In the event of lake closures for spawning the Carp Society will post notices on their social media accounts and website when possible.
